Sales Performance Analysis Report - March 2026

Key Metrics

Metric	Value
Total Revenue	$227,042.74
Profit Margin %	23.94%
YoY Growth	-5.50%
Top Region	West

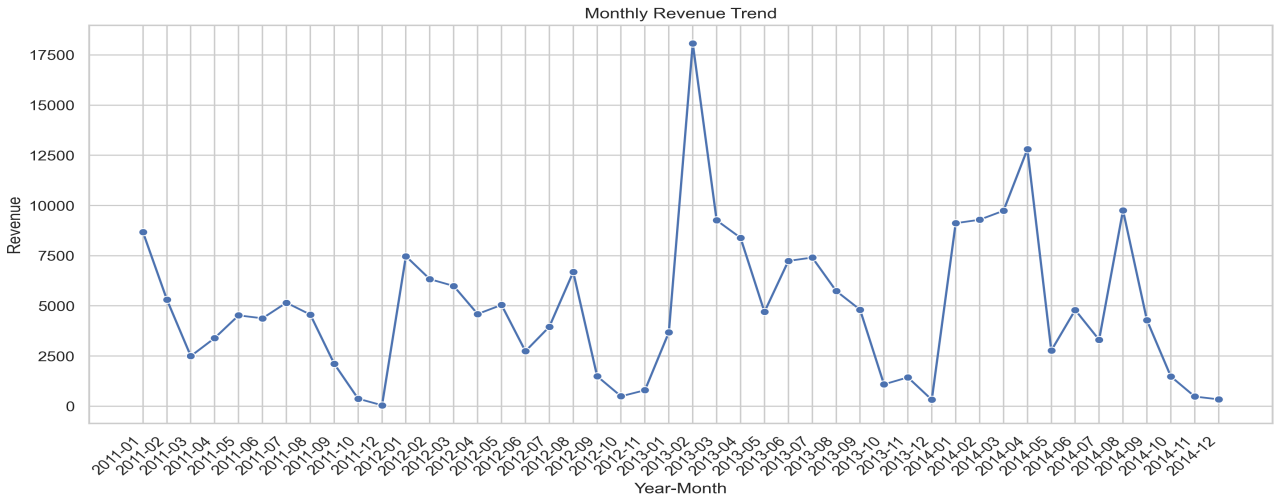
Top 3 Insights

• West leads all regions with $74,252 in revenue, contributing 32.7% of total sales.

• Consumer is the highest-grossing segment at $107,437, with $27,575 in profit.

• Orders with discounts above 40% deliver a 0.0% margin versus 23.9% for the rest of the portfolio.

Recommendations

• Keep current discount guardrails in place because no orders exceeded the 40% high-discount threshold.


• Focus segment-specific pricing and retention plans on Corporate, while scaling the playbook that is already driving revenue in Consumer.
